Additional Work Requested:

STORAGE / SERVICE AGREEMENT

1. I hereby authorize the work described on page 1 to be done along with the necessary materials, and hereby grant my permission to operate the boat, motor(s) and trailer (on water and/or over the road) as necessary for the purpose of said work (including testing and/or inspection).
2. I agree that Cape Fuel Injection and Blue Water Boats shall have a lien on my boat, motor, and trailer to secure the amount of repairs and/or storage charges and fees which shall remain in force and effect until payment in full of all charges. This lien gives Cape Fuel Injection and Blue Water Boats the right to possession of my property until payment in full.
3. I agree that Cape Fuel Injection and Blue Water Boats is not responsible for any loss or damage to said boat, motor(s), trailer and contents resulting from vandalism, theft, fire, wind, rain, ice, part failure, collision, act of God or any cause beyond their control. I understand it is my responsibility to maintain a valid marine insurance policy including liability coverage on all unit(s) stored with Cape Fuel Injection and Blue Water Boats.
4. An environmental fee will be charged to all Spring Launch invoices to cover the cost of disposal of hazardous materials
5. A service charge of 1.5% per month will be added to all balances not paid within 30 days of invoice date.
6. I agree to be personally responsible for all attorney fees incurred by Cape Fuel Injection and Blue Water Boats to collect any outstanding balances due.
7. Due to insurance regulations, no independent contractors, service organizations or outside individuals will be allowed to perform work or enter the facility without first obtaining permission. Additionally, all contractors, organizations or individuals will be required to provide Cape Fuel Injection and Blue Water Boats with a certificate of insurance coverage. Said certificate shall include coverage for liability, worker's compensation and name Cape Fuel Injection and Blue Water Boats as additional insured.
8. Owners, guests, and sub-contractors are responsible for properly accessing service yard. Natural trip hazards exist in the service yard. Please take notice to everything around you will while accessing your boat for your safety. Cape Fuel Injection and Blue Water Boats assume no responsibility for Boat Owners, their Captains, employees, guests, or sub-contractors for any accident.
9. No customer supplied parts. Also unless requested in advance, all parts replaced on boat, motor(s) and trailer will be disposed of upon completion of work.
10. Summer Storage - May 1 to September 1. - \$22 per ft.
11. Boat pick up - boats here after 10 days from notice of competition will be charged a storage fee of \$10 a day
12. I authorize Cape Fuel Injection and Blue Water Boats to charge my credit card number listed below for any invoice not paid upon completion of the work performed or within 30 days of receipt of invoice, included charged incurred during the season.

I have read and agree to the terms and conditions provided here and authorize the above work to be done along with the necessary material, and hereby grant our permission to operate the unit(s) as necessary for the purpose of testing and/or inspection.
